Press Release

Fireman's Fund® to Deliver Agent E&O Solution to Big "I" Membership Nationally

NOVATO, Calif., (June 4, 2007) - Fireman's Fund Insurance Company is pleased to announce its nationally endorsed program for Insurance Agents Errors & Omissions (Agents E&O) coverage with Independent Insurance Agents & Brokers of America (IIABA), known as the Big "I", is now available in all fifty states and the District of Columbia. This program expansion is the result of the positive reception from Big "I" members.

Agents E&O coverage provides professional liability coverage for agents, such as protecting agents in the event they fail to provide a specific coverage or provide any coverage at all. "Agents are often placed in the role of an advisor, which can expand liability issues and increase exposure," said Roger Nulton, president, Commercial Insurance, Fireman's Fund.

"We are very pleased that the Fireman's Fund E&O policy is now available in all states. The completion of the roll out means that an additional E&O market is available nationwide--just like our members that offer multiple markets to their clients we can now do the same for our members. We are very pleased to have Fireman's Fund as a partner and look forward to a long relationship" said Bob Rusboldt, CEO, Big "I".

By underwriting E&O risks and managing claims for over a quarter century, Fireman's Fund has gained experience that – in collaboration with the Big "I's" organizational capabilities – provides a seamless, single-source solution for professional liability coverage.
